

Full Face Disc

FOR THERMAL FULL COLOUR PRINTING

- RED LINE** 119 mm x 22 mm Art will be cut off at the **red dielines**, the actual edges of the disc.
- GREEN LINE** 123 mm x 18 mm Art must extend to the **green dotted lines** for bleed.
- BLUE LINE** 115 mm x 26 mm Text and logos should be kept within the **blue safe zone**.

When you submit your artwork, **dieline**, **bleed lines** and **safe zone lines** should be removed, leaving only the black crosshair for positioning.
