LOGO DESIGN SERVICES

Need a professional logo to showcase your brand? Let us help you with that.

Western have worked on a number of logos for businesses, non-profits and team events.

Check out our own Western mascot created to provide a friendly, familiar face to our marketing materials in both digital and print applications.

The Western Mascot

Tynehead Hatchery Logo

A local non-profit organization started with a sketched version of their logo. To use a logo which would be applied in print and digital formats, Western created the necessary vector files.

*Team Squirt Side Mountain Cave Explorers
Wet Dream Cave Expedition Logo*

Promotional logo applied to clothing apparel for a 2017 cave expedition.

*Dirt Magnets
Assault Course Team Logo*

The Dirt Magnets assault course team needed a logo that reflected their strength and team spirit. For the final product, the bright pink logo was applied to the team's t-shirts.
